Goals:
This course emphasizes advanced development of the four linguistic skills: oral and written expression, listening comprehension and reading. To achieve this goal, the course will focus on (1) perfecting oral and written skills already learned, (2) use of more advanced structures and vocabulary, (3) enrichment of cultural knowledge, and (4) reading of different types of literary texts. These texts and other resources will provide the material for oral discussion and written work in class, as well as prepared oral presentations as drama sketches prepared as group projects and written compositions (see grade breakdown below). Creativity of expression and soundness of style are major goals.

The basic material for the course will be the textbook and the workbook itself. However, supplementary video/film materials, short newspaper or journal articles, and literary essays might also be used as the basis for discussion and exercise (written and oral). Students will be expected to keep current with reading and writing assignments, but also to devote time outside of class to practice, in order to enable a challenging level of class discussion. **As an option, two of the four compositions (#1 and #3) may be corrected/revised, and turned in again for an improvement of the grade and writing skills in German.**

Texts:
- **WORKBOOK**: Übungs­buch: Anders gedacht.

Recommended text: Langenscheidt's New College Dictionary or equivalent bilingual dictionary (INDEED NECESSARY)

Oral and Written Expression II will cover chapters 3, 5, 6, 7, und 8 of Anders gedacht

Formats:
We will study 5 chapters from the textbook this semester and rely on various formats designed to foster active participation of all students. These will include activities with partners, small group activities, ‘team’ projects, full class discussion, audio-visual work, and an individual presentation on a cultural topic relating to the German-speaking countries. The activities will ordinarily be geared toward enhancing communicative skills in German. The language of this course will be primarily in German.

Expectations:
It is expected that all students will be in attendance daily. Since the course is intended to be largely participatory, **attendance is required**. Except under unusual circumstances, if a student misses more than 3 unexcused class sessions during the semester, **the final grade will be lowered by half a grade**: A-becomes B+. Likewise, if a student misses more than 5 unexcused class sessions during the semester, **the final grade will be lowered one whole grade**: A becomes B, B becomes C, etc.
It is also expected that all students will complete assigned work (both oral and written) as requested and be prepared for each class session.
